Oral ExParte Presentation

Dear Ms Dortch:

On Monday, September 15, 2003, Janice Obuchowski of Freedom Technologies, Inc., met on behalf of Progeny LMS, LLC ("Progeny") with Paul Margie, Legal Advisor to Commissioner Michael J. Copps, regarding the above-captioned petition for rulemaking. The discussion covered the Commission's consideration of a rulemaking proposal in response to Progeny's proposals to amend the rules for Location and Monitoring Service ("LMS") in the 902-928 megahertz band. It also covered issues with regard to balancing the licensed uses in the band with the current and future usage of the band by unlicensed devices under Part 15 of the Commission's rules

In accordance with Section 1.1206(b) of the Commission's Rules, please accept this original and one copy for submission

Respectfully yours,

Albert Halprin
